Well-Ordered Language Level 2B (Student Edition)

COURSE DESCRIPTION:

This course will help students increase mastery of concepts introduced in *Well-Ordered Language* Level 1, beginning with sentence types and working through phrases, clauses and diagramming. Each section investigates a specific grammatical concept and provides examples and exercises to discuss and enjoy. Additionally, each chapter includes instruction on mechanics and grammar of writing: proper punctuation, correct word usage and common mistakes to avoid.

An important aspect of this course is analyzing sentences, which students regularly practice together and independently. This exercise helps students break sentences into parts and determine the importance and role of each element in the sentence.

This course includes beautiful poetry and exemplary literature to encourage and model excellence in writing. Students will regularly engage in discussion over select pieces, learn basic terms of poetry, and occasionally imitate the literature examples. In this way, they synthesize the grammatical mechanics they're mastering with their growing virtues and ideas. The two components together help young writers express their thoughts coherently and properly, according to classic English grammar.

Grammar refers not only to how language works but also to the Classical idea that every study possesses certain "grammar" or building blocks. Mastering the grammar of the English language will enable students to powerfully and clearly communicate ideas as well as deeply appreciate beauty in superb literary examples. Such mastery begins with *Well-Ordered Language*.

STUDENT EXPECTATIONS

Students in Well-Ordered Language 2 will be expected to develop the 3 Rs, Reverence, Respect, and Responsibility, in all their class actions and preparations throughout the year.

Reverence: The class operates from a love for and obedience to God and His word. Students are expected to live according to biblical behavioral standards, and encouraged to enjoy the exploration of His creation, specifically language.

Respect: The class operates from the understanding that everyone is precious in God's sight and is worthy of respect. Students are expected to show respect in class through engagement in discussions and activities, kindness and encouragement towards classmates, and by applying teacher's feedback to the next assignments.

Responsibility: The class operates from the understanding that a healthy sense of self-respect generates responsibility. Students are expected to show responsibility by timeliness in class attendance and assignment submission, putting forth their best efforts in class and on assignments, and by seeking help when they don't understand.

STUDENT EVALUATION: GRADING

Studying the structure and principles of the English language is rewarding in many ways and will serve those who persevere in it. Students who complete this course will have gained appreciation for the order and structure of language, which in turn equips them to utilize it in effective ways. Further, students are enriched as they interact with delightful, nourishing literary works and produce individual expressions of Truth, Goodness and Beauty.

Students will not be measured against a traditional grading scale with letters and numbers. Instead, I will assess the student as a whole, including participation, attitude, behavior, growth, virtue, and understanding. I will assign the following broad categories to your student's level of achievement according to Scholé Academy's grading policy: *magna cum laude* (with great praise), *cum laude* (with praise), *satis* (sufficient, satisfactory), and *non satis* (not sufficient).

Ideally, every student working diligently should do praiseworthy work (*cum laude*). Those who excel beyond this expectation will be the *magna cum laude* students. Students who do adequate but not praiseworthy work will be designated *satis*. *Non satis* means lacking sufficiency or adequacy; students who receive *non satis* will need to do additional work to achieve understanding and be able to move on to subsequent levels of English Grammar. The hope is that this system of grading will aid both the student and the instructor in assessing an individual pupil's journey toward mastery, and that the emphasis will be on loving and knowing the subject rather than chasing a particular number or grade.

In conjunction with the grading scale outlined above, narrative evaluations of student performance in the classroom will be sent quarterly to keep parents abreast of their students' level of growth and achievement. These narrative evaluations are the core of the student assessment process.

Please note: Photographs (.jpg, .jpeg, .png, etc.) of completed assignments will not be accepted as they are incredibly difficult to read. Please submit homework as a pdf or as a Word document. Documents must be scanned "right side up" and not sideways.

Late homework will be given a 5% penalty for each weekday that the assignment is late. If an assignment is more than a week late or never submitted, then it will be awarded a 0.

STUDENT EVALUATION: MASTERY PORTRAIT

At the completion of this course *cum laude* students will have mastered the following:

- Students will be able to recognize and explain the structure of a sentence by analyzing its parts. They will employ analytical skills with confidence and ease, and they will demonstrate understanding of circumstances wherein grammatical components change.
- They will build elegant and meaningful sentences and identify structurally sound writing. They

will write with correct punctuation and grammar.

- They will be able diagram sentences and explain patterns and structures throughout the process.
- Students who strive for mastery in the principles of English grammar will appreciate the orderly nature of language. They will have a strong foothold in foundational elements of writing and will be prepared to continue their English language study.

STUDENT EVALUATION: ASSIGNMENTS, TYPES & WEIGHTS

I will communicate with students regarding assignment feedback and grading through the free online grading system, Canvas. I will also provide students with more detailed information and access to the Well-Ordered Language course page.

Student assessment will include the following:

1. Weekly assignments from the *Well-Ordered Language* text, writing practice, group collaboration, and occasional presentations.
2. Chapter quizzes.
3. Class participation including attitude toward learning, completeness of assignments, timely attendance, timeliness of submitted work, respect for the subject matter, and adherence to the standards outlined in the Student-Parent Handbook regarding the virtual classroom. Students who are more than 25 minutes late will be marked absent.

STUDENT EVALUATION: ACADEMIC DISHONESTY

Students will often take quizzes privately at home. Students are on their honor to abide by [Scholé Academy's Learning Philosophy](#) which assumes the personal cultivation of Student-Virtues described in the Student-Parent Handbook.

Additionally, plagiarism is a serious and punishable offense. A plagiarized assignment will result in a failing grade

THE VIRTUAL CLASSROOM:

We will be using the free online “virtual classroom” software provided by Zoom, one of the leading companies that provides such software. The virtual classroom will provide students with interactive audio, text chat and an interactive whiteboard in which texts, diagrams, video and other media can be displayed and analyzed. We will provide students with a link (via email) that will enable students to join the virtual classroom.

Specific information regarding the technology used by Scholé Academy (including required technology) can be found by visiting the [Technology in the Classroom](#) section of the Student Parent Handbook.

Students will submit documents by scanning and uploading them to their personal computer, *then attaching those files as right side up .pdfs*. They will submit their work to the *Well-Ordered Language 2* Canvas assignment page (access granted after enrollment is secured).

ABOUT THE INSTRUCTOR:

Kara Lobley enjoys finding answers and imparting those discoveries to everyone. This passion for truth inspired her to earn her bachelor's degree in history at Patrick Henry College (PHC), in Purcellville, VA. The classical experience at PHC and her own experience being homeschooled outside the classical tradition (K-12) showed Kara the beauties of each approach. She delights in witnessing how classical homeschooling equips students to identify and discover “the true, the good, and the beautiful” in the world around them and to share those breakthroughs with others.

Kara began working with children as a high schooler at children's theater camps and at her church's Vacation Bible Schools. During college and post-graduation, she spent five years as a high school writing tutor and one year as a preschool teaching assistant. Kara has spent the past three years teaching lower school Well-Ordered Language and Writing and Rhetoric with Scholé Academy and is excited to return for a fourth year this year. Outside of the classroom, Kara can be found reading, hiking, or singing.
