

Enrollment Confirmation Process for New Math Students at Scholé Academy

Enrolled students are given a Placement Exam (May 13)
Or within two weeks of enrollment if enrollment is after May 13

Students Return Placement Exam (June 3)
Or within 10 days of receiving the exam if enrollment is after May 13

Students will receive one of three responses within two weeks of returning their placement exam.
Response Date: June 17

Or within 14 days of receiving completed exam if enrolled after May 13

Enrollment is Confirmed

Student will be given a list of objectives to review so they start the course with a strong foundation.

Enrollment is Pending

Student is given a list of objectives to study and allowed the opportunity to retake a different placement exam. Students enrolling after August 1 will not receive this option.

Enrollment in another Math Course is Recommended

Student confirms that they are ready to retake.
Instructor immediately provides student with Placement Exam Retake.
Student has 5 days to return the Retake.

Call the office
(1-866-730-0711) or email
support@scholeacademy.com
to start the transfer process.

Placement is determined within 5 days or within 24 hours if within one week of school start date.
