

# Foundations for Latin for Children B

Summer 2023 Course

## Schedule

### Section 1:

Mondays and Wednesdays  
3:30 - 4:30 PM ET  
July 3 - August 2

### Section 2:

Tuesdays and Thursdays  
9:15 - 10:15 AM ET  
July 6 - August 8

## Course Materials

All required course materials will be provided as a PDF by the instructor prior to the first class. Students may find it helpful to have a copy of the Latin for Children A Primer or a basic Latin dictionary to use as a reference during the course.

## Expectations

- Students should enter this club with the desire to grow their understanding of Latin.
- When present, students should keep their screen on at all times and participate fully.
- Students should exhibit the virtues of humility, patience, and cheerfulness in their interactions and constancy and diligence in their work.

## About the Course

This course is designed as a transitional course for students intending to enter Latin for Children B in autumn 2023. In it, we will be reviewing five foundational concepts from Latin for Children A: 1st and 2nd conjugation verbs, 1st and 2nd declension nouns, 1st and 2nd declension adjectives, irregular and compound verbs, and prepositional phrases. The course will give students an opportunity to further solidify the foundation they have set in their studies thus far in preparation for more advanced coursework.

For students who completed Latin for Children A at Scholé Academy, this course will be a delightful review of familiar grammar and vocabulary. It will reactivate their language learning brains after time away with engaging discussions, fun activities, and fresh insights. For students who are new to the Latin for Children program or Scholé Academy entirely, this course will provide a hinge between their previous Latin studies and their entrance into the lower school Latin sequence. This course will ease their transition in the fall, allowing them to connect material between programs and integrate themselves into the Scholé Academy classroom ahead of time.

## Eligible Students

Rising 4th - 6th grade students who have completed Latin for Children A or a comparable course are welcome to join this course. It will be assumed that students have some exposure already to the topics that will be discussed, though have perhaps not yet attained mastery.

## About the Instructor

Amanda Reeves has enjoyed teaching Latin at Scholé Academy for nearly five years. She has loved developing the lower school Latin program and looks forward to getting to know each and every student who "walks" into her virtual classroom. In the rare moments she isn't teaching, she is likely traveling the world or baking too many pies.
