STUDENT CONDUCT AND EXPECTATIONS:

Summer reading book clubs are less formal than yearlong courses, but students are expected to be prepared and participate in class discussions. The main expectation is that students will read the assigned pages of the book. Students may be asked to report on their reading at the beginning of the session.

All students are to strive for the Two Greatest Commandments: to love God and to love their neighbor as themselves. Please refer to the Scholé Academy Student Handbook for student conduct and academic integrity.
