

Simple Sewing

Mrs. Jennifer Breidenbach

Tuesday's and Thursday's 9am - 10:30am

July 6, 11, 13, 18, 20, 25, 27

Outside of class work is to be expected.

A needle, some thread, and some fortitude!

Are you ready to learn some simple sewing techniques to serve as the foundation for some useful projects? I can't wait for you to join me this summer as we go back to the basics of every garment and learn the techniques and stitches that serve as the beginning for most projects. If you have never sewn before this course is for you!

YOU WILL NEED:

Sewing Needles

Thread

A seam ripper

Safety Scissors

Shears

Cloth Tape Measure

Straight Pins

Buttons

Sewing With St. Anne from Catholic Heritage Curricula

Quilting by Catholic School House

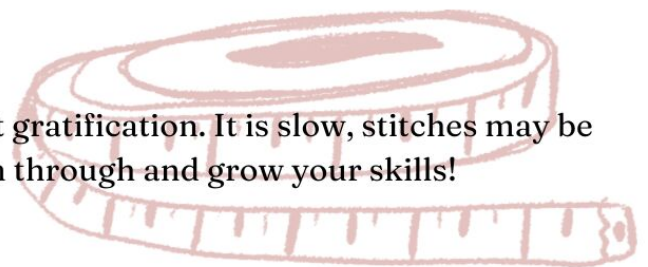

Notebook, folder, or journal, to keep notes together. If you have both books you may just want a highlighter, pencil and a folder for print outs.

Fabric for each project (this may mean purchasing fabric with a weeks notice)

YOU MAY WANT:

thimbles, pin cushion, sewing box, needle threaders, fabric pen, embroidery hoop

A willingness to work! Sewing by hand is not instant gratification. It is slow, stitches may be imperfect. It is well worth the effort to push through and grow your skills!
