To Whom It May Concern:

God bless you!

As you consider how best to meet the educational needs of your children, I encourage you to consider the offerings provided by the St. Raphael School, an Orthodox online school that is a part of the larger Scholé Academy, both divisions of Classical Academic Press. I have had the opportunity to observe the pedagogical efforts of this online school for many years, and I am very pleased with the diversity of course offerings and the Orthodox orientation of their teachers and course materials.

Educating our children within the mind of the Orthodox Christian Church is vitally important for their salvation and for the flourishing of the Orthodox Church throughout North America. Our children need a broad breadth of knowledge and a deep understanding of their faith, so that they can navigate the world with wisdom and piety to the glory of the Holy Trinity – Father, Son, and Holy Spirit. May God bless you as you seek the best educational opportunity for your family!

Yours in Christ,
