Integrated Liberal Arts courses at SRS offer students a comprehensive means of exploring and experiencing important ideas in a single class setting. Through the lens of Orthodoxy, the humanities and social sciences, students study the transformative texts of the *Good and Great Books*. Using stories, lessons in the natural world, poetry, music, art, and the rhythms of the Eastern Orthodox Christian faith, students are guided to a deep understanding of dynamic human relationships and the global, social, and cultural dimensions that impact all disciplines. *Integrated Liberal Arts* develops students' reading, writing, and speaking skills pertinent to their growth level. In the end, students are positioned to communicate enduring truths and to respond to the changing demands of the world as innovative leaders who follow Jesus Christ as their Lord and Savior.
