

# READING

## *Brush Up*

## MIDDLE/HIGH SCHOOL

### *Make it make sense*

Does your middle or high schooler have some skill gaps when it comes to reading or reading comprehension? Is spelling frustrating? Does English seem confusing? In this class, we will teach your student why English really does make sense.

### *Closing the Gaps*

We will cover phonogram sounds that your student may not have learned along with crucial spelling rules. We will work to develop good reading comprehension skills, reading fluency and word attack skills.

### *Going Deeper*

We will delve into Greek and Latin roots, prefixes, suffixes and syllabification rules and learning to use our tools. There will be time to analyze difficult words they have run across as well. This will be a laid back time where we work together to fill in the missing pieces this summer.
