Woven is an Orthodox workbook and seminar designed to help modern girls see themselves as beloved by God, created in His image, and intended by God to reflect His love to others. Woven will foster encouraging positive relationships between teen girls so they will have a positive impact on each other through the challenges our girls face as they grow up in this world. It includes stories, skits, craft projects, and short quizzes to engage the girls as they delve into important spiritual topics.

## STUDENT CONDUCT AND EXPECTATIONS:

*Summer reading book clubs are less formal than yearlong courses, but students are expected to be prepared and participate in class discussions. The main expectation is that students will read the assigned pages of the book. Students may be asked to report on their reading at the beginning of the session.*

*All students are to strive for the Two Greatest Commandments: to love God and to love their neighbor as themselves. Please refer to the Scholé Academy Student Handbook for student conduct and academic integrity.*

**“WOMAN HAS HER MODE OF BEING, HER OWN FORM OF EXISTENCE, THE GIFT OF WEAVING HER ENTIRE BEING THROUGH HER SPECIAL RELATIONSHIP TO GOD, OTHERS AND SELF.”**
